

Forrester Park GC Men's Section Competition Credit Account (CCA)

The **Competition Credit Account (CCA)** System is now the default method for collecting entry fees to Competitions. Members will only be able to take part in a Men's Section Club Competition if they have set up their individual CCA and have entered on BRS.

Anyone entered on BRS without funding their CCA by the date of the Competition, or if their CCA has insufficient funds, will not be in the competition. The Treasurer will administer the CCA system, but **WILL NOT** chase you if you have an insufficient balance – it is your responsibility to manage your funding!

To set up your CCA, you should transfer funds (minimum £14.00, preferably more) into the Club Co-op Business Bank Account. Number **65427149**, Sort Code **08-92-99**. The account name is **Forrester Park Golf Club Committee**.

When transferring funds please ensure that your name is clearly referenced. All monies in the CCA System will show as a Liability on the Club Accounts and any member can request their remaining funds to be returned to them at any time.

If you book for more than 1 person on BRS you need to ensure that the other players each have a CCA which is positively funded, if not, they would not be included in the competition. It will **NOT** be acceptable to fund others from your CCA but you can split your funding payment by informing the Treasurer by separate communication.

The start sheet from BRS will be printed on the day of the Competition and the Competition Fee for each player will be taken from their CCA. So if you, or someone you entered on BRS, should withdraw from the Competition, they must cancel on BRS before their Tee time on the day of the Competition.

If for any reason a name was not withdrawn but they definitely did not play (maybe due to inclement weather on the day) then they would need to inform the Treasurer ASAP otherwise their Competition Fee will be debited from their CCA. This may be subject to Committee approval.

For simplicity, individual CCAs are listed by name and number – if you would prefer that your name does not appear next to your account number, please advise the Treasurer and it will be removed.

Simon Harding – Hon Treasurer
