

Forrester Park Golf Club

LOCAL RULE for IMMOVEABLE OBSTRUCTIONS

Please refer to the back of the Score Card, where item No4 deals with Immoveable Obstructions (Rule 24).

Points to Note:

1. Immoveable obstructions are just that – immoveable. **This includes items of course furniture such as Hoops and Ropes**, (whether permanent or temporary...) sited by the Greens-staff for the protection of the course.
2. If an immoveable obstruction interferes with a player's stance or swing, then relief MAY be taken at the nearest point without penalty.
3. There is no such relief if the obstruction is merely in line with the proposed direction of play.
4. If a ball strikes an immoveable obstruction, irrespective of whether relief has been taken previously, then the shot MAY be replayed without penalty.
